

SUPPORT NORMAN'S 2010 CENSUS

Census Day is April 1, 2010. Households will receive a census form in March 2010, either by mail or in person from a census worker. Most people should be counted in the residence in which they live or sleep most of the time. College students who live away from the parental home while attending college in the United States are counted at their on-campus or off-campus housing.

Mayor appoints Census Committee

Mayor Cindy Rosenthal has appointed a Norman Census Complete Count Committee to support the 2010 Census.

“The Committee will encourage participation to achieve a complete and accurate count of Norman’s population in 2010. It is important that Norman residents hear the benefits of an accurate count to Norman’s future”, Rosenthal said.

Insure full federal funding.

Future local, state and national planning decisions are based upon accurate data.

Make decisions that spur and sustain economic development and create jobs.

Make decisions re: additional social services, child-care and senior centers, new roads, hospitals, schools, or location of job training centers.

Affect our voice in Congress by determining how many seats each state will have in the U.S. House of Representatives.
